**Welcome to  
SJSM Village;  
make yourself  
at home!**

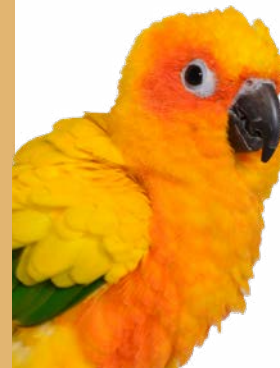

This is the first major community event that SJSM Village has hosted since its official opening in September 2022, and we would very much like for you to think of it as an opportunity for neighbours to come together for a combination of a festive celebration and a house-warming.

We hope that you will be touched by the warmth and hospitality of all the members of our Village.

## ABOUT DOVER CELEBRATES CHRISTMAS

Jointly organised by SJSM Church and Dover CCMC on 23 December 2023 at SJSM Village, Dover Celebrates Christmas (DCC) includes themed activities (youth, family, sports and sustainability), a Christmas carnival, a party for children, talks and workshops. There will also be raffle draws on the hour, and fun photo booths where you can take snapshots with friends and loved ones!

DCC23 celebrates our sense of belonging as members of one Dover community. Our theme, 'One in Hope', expresses our common desire to be good neighbours living harmoniously with the wider community, looking forward to a shared future where we enjoy life together and serve one another in love.
