WELCOME TO HEARTBEAT CAMP 2026!

Heartbeat Camp is one of the highlights of the Heartbeat year – 4 days set apart for our young people to step away from the usual rhythms of life, make space for God, and journey with one another.

Through worship, prayer, teaching, games, small-group conversations, shared meals and plenty of fun, we want to create space for our young people to encounter Jesus, grow in faith, build meaningful community and discover what it means to live wholeheartedly for Him.

This year, we're going **FULLESEN**!

Come ready to encounter God, make new friends, have a whole lot of fun, and discover what it looks like to hold nothing back for Jesus.

Dr Camp Theme

Fearless. Unashamed. Holding Nothing Back.

Heartbeat Camp 2026 is about responding to Jesus with **wholehearted** surrender.

“Full Send” is not about recklessness or simply going all out for the sake of it. It is about a life that is fully yielded to God – fully surrendered to Jesus, fully sold out for the Gospel, and fully committed to His mission.

We want to challenge every camper to ask:

“What is holding me back from fulfilling the Great Commandment and the Great Commission in my life?”

This camp, we want to cultivate a posture that says:

“Lord, I hold nothing back.”

God has called each of us to love Him wholeheartedly and to make disciples wherever He has placed us. Our prayer is that through camp, our young people will encounter Jesus afresh, become fearless and unashamed in their faith, and be empowered to live **FULL SEND** for Him – at church, at home, in school, at work and wherever He sends them.

For this reason I remind you to fan into flame the gift of God, which is in you through the laying on of my hands, for God gave us a spirit not of fear but of power and love and self-control.

2 Timothy 1:6-7

★We're Excited to Introduce Pastor Wei Lin as our Camp Speaker for HBYC 2026!!!!★

ABOUT ME

Lives with her husband and two black cats – and says she's the third cat in the house!

Fun fact: her fingers can bend backwards!

Wei Lin currently serves with **COOS Chinese** and has been in ministry since 2015, first serving in media ministry before stepping into pastoral ministry in 2018. Her heart is especially for young people – championing them to grow as disciples, live boldly and unashamedly for Jesus, and reach those around them with the Gospel.

When asked what excites her about Heartbeat Camp, her answer was simple:

She's looking forward to meeting more young people from the same family!

As she prepares for camp, she's encouraging us to come with expectation:

"Anticipate SOMETHING. Write it down. Pray about it."

Not to put God in a box, but to come ready and expectant for Him to meet us.

WHAT TO

EXPECT

More About Camp

FOOD

All main meals will be catered by Majodi Retreat Centre.

The camp committee will also provide additional snacks and supper throughout camp.

Campers are welcome to bring snacks to share with their camp groups too!

Please indicate any food allergies or dietary requirements clearly during registration so that our team can make the necessary arrangements.

MAJODI HALL

All main camp sessions will be held in Majodi Hall, a spacious and fully air-conditioned hall that will serve as our main gathering space for worship, teaching and prayer.

LODGING

Campers will stay in gender-separated dormitories with their camp groups.

Each dormitory is air-conditioned and has attached toilet and shower facilities.

Majodi will provide:
Beds
Bedsheets
Pillows
Light blankets

Campers may bring their own sleeping bags if preferred.

There are a limited number of power sockets in each room, so campers are encouraged to bring a portable charger/power bank if needed.

ACTIVITY AREAS

Camp games and activities will take place across the Majodi campsite, including open fields, sheltered areas and Majodi Hall.

Campers should come prepared to move around, participate in outdoor activities and get involved!

TRANSPORT 1

Two-way transportation to and from Majodi Retreat Centre will be provided for campers.

If you have a scheduling conflict, parents/guardians may choose to drop off or pick up their child directly at the campsite instead. Transportation arrangements can be indicated during registration.

TRANSPORT 2

For campers who are unable to attend the full camp due to school or work commitments, we will create a dedicated group chat to connect campers and parents/guardians.

This will allow arrangements such as carpooling or shared transport to be coordinated where possible.

FIRST-AID

The safety and wellbeing of our campers is a priority. Designated first-aiders will be available throughout camp, and injuries or medical concerns will be assessed according to their severity.

Minor injuries

Campers may rest and recover with their group, with minor wounds cleaned and treated as needed.

First aid required

For injuries or illness requiring basic first aid – such as abrasions, sprains, strains, fever or feeling faint – campers will be brought to a designated first-aider for assessment and treatment. Campers will only return to activities when it is safe to do so.

Medical attention required

For more serious injuries or illness, the camp leadership will activate the emergency response plan. Parents/guardians will be contacted promptly, and the camper will be brought to the nearest appropriate medical facility for further care where necessary. A member of the camp leadership team will accompany the camper and remain in communication with the parent/guardian.

Parents/guardians: Please ensure that all medical conditions, allergies and relevant health information are accurately declared during registration so that our team can respond appropriately if needed.

“ Youth Camp changed my life. To me, it is not just some silly little camp where you only get to spend time with others. Through that camp I had one of my first encounters with Jesus Christ and that was when I made the decision that I wanted to make him as my lord and saviour and get baptised. In that camp, I got to talk to and bond with so many different people from different backgrounds, and it really changed my perspective on life. The sermons somehow were talking about the exact predicament I was in and I felt that the sermon really spoke to me.

Isaac, 14

During worship, it was the first time where I felt his presence and him talking to me. I still remember the song playing in the background (Give me Jesus) and that was when I felt the lord talking to me. That worship, he started comforting me and it was as though I could feel him hugging me.

All my fears and problems were gone in that instant and that moment made me want to get baptised. Without this camp, I don't think I'll be the same person as I am right now. Truly, youth camp to me is one of my favorite memories I will treasure forever.”

“ My youth camp experiences have been deeply enriching and fruitful. Every youth camp, God shows up- He encounters, He speaks, and He moves. Most importantly, He is present, and He does abundantly more than we can ask or think.

That is the beauty of every youth camp. From the thrill of camp games and mass dance, to the contemplative moments during devotions and altar calls, I have seen that God uses every moment and aspect of youth camp for very intentional purposes.

Luke, 17

Through youth camp, He has given me fresh revelations of His Word and allowed me to experience the joy of communing with my brothers and sisters-in-Christ. Every youth camp, it heartens me to see people praying for and encouraging each other; it reminds me that we were never meant to navigate our faith alone.

We were meant to walk this journey together.”

"In my 20s, camp started to feel...old. I was "too old" for games, "too old" to be sleeping in a bunk, and "too old" for group cheers. Worst of all, I still didn't know how many mehmehs jumped over the wall.

During the session in 2024, I asked God what I was at camp for. Then I noticed the few who were older than me—they were worshiping, receiving, interceding, encouraging. Earlier, they were running around with the younger ones and caked in flour and soap from games.

Shi Pian, 25

I realised that my attitude placed a false limit on God's ability to speak to me and work through me. God is as present today at camp as He was when I first encountered Him there at 14—would I allow Him to love and use me?

To the older ones, God is not done with you. Give Him the opportunity to speak to you and work through you to bless the younger ones. Your presence can be a vessel for His presence.

Heartbeat, we can't wait to see you at FULL SEND!

Camp is more than just 4 days away from the usual routines. It's 4 days to make room for God, build community, ask big questions, have lots of fun, and discover what it looks like to follow Jesus wholeheartedly.

As you prepare for camp, come with open hearts and expectant spirits. What is God stirring in you? What are you trusting Him for? What might He be inviting you to lay down, step into, or say yes to?

Write it down. Pray about it. Come expecting.

We're praying that every camper will encounter Jesus, grow deeper in their faith, and leave ready to live fearless, unashamed and holding nothing back for Him.

**See you at Heartbeat Camp 2026!
FULL SEND.**
